

RACE SHEET DETAILS

Please ensure that you note the full names of yourself, your assistants and safety boat crew otherwise they may not be credited the correct series points.

Record the time for every helm on each lap even in class racing.

Please ensure times are readable .i.e. 11:33:45

We use lap times to check suspect results.

Please check who is helming the two man boats, write as helm/crew .i.e. Andy Brown/Chris Day

You **do not** have to calculate the results as this is done by the Sailwave results program.
